Teams that play on a Monday night are generally more ‘social’ players.

C-grade is a good opportunity for newbies to get into the sport while the B-grade will have a slightly higher level of competition.

Monday B-grade is a fun-competitive grade (not as strong as Friday b-grade).

Mondays:

June 13, 20, 27
August 1, 8, 15, 22, 29
